Dear Sir:

At the meeting held on January 27, 1954, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of January 11, 1954, of the proposed annexation of territory to the City of Long Beach.

Upon recommendation of the County Surveyor, slight revisions of the boundary description were made to provide the definiteness and certainty required by Section 26000 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,
